

Sixth Annual Transition to No-Till Workshop Including a Farm Safety Clinic

The County Conservation Districts, the Natural Resources Conservation Service, and the Penn State Cooperative Extension Service have scheduled a workshop to discuss the **“Unique Challenges for No-Till in Northwestern PA”**.

There will be veteran No-Tillers, agency experts, and custom operators to answer your questions about equipment, planting, cost savings and address doubts that no-till will work on your farm. New topics include farm safety, zone and strip till, and aerial seeding.

**The workshop will be held at Ernst Conservation Seeds
9006 Mercer Pike
Meadville, PA**

This workshop will be very informal with questions and discussion highly encouraged. Anyone with interest in no-till or the “Transition to No-Till Environmental Quality Incentives Program (EQIP)” should attend. *In addition, experienced no-till producers are invited to share their transition stories.*

There will be 2.5 Nutrient Management credits and 1 pesticide credit available!

**Tuesday, April 6, 2009
10:00 – 3:00**

Lunch will be provided

**Please RSVP by March 26th
Erie Co. Conservation District 814-825-6403
Crawford Co. Conservation District 814-763-5269**
