

CHILL OUT PEOPLE

Nature Camp 2020

Do you have a child that loves playing outside or is curious about nature? If this sounds like someone you know, then consider registering them for the Lawrence County Conservation District's Children's Summer Nature Camp.

This year has brought about some initial challenges and therefore we decided to combine both Junior and Senior camp into one week long event.

2020 Nature Camp is a week long Day Camp designed for children entering **grades 3rd - 8th**, where they can learn and discover the uniqueness and importance of water, soil, plants, wildlife and much more.

We engage campers in fun and interactive hands-on lessons, activities, games and crafts that allow them to explore their natural environment.

This year's Theme for Nature Camp is **Survival of the Great Outdoors**. Explore how we need nature to survive and how they also need us. Learn crucial facts about pollinators and how human habits are affecting them and other wildlife and what we can do to help.

This will be a week you don't want to miss!

Nature Camp will be held (**Monday**) **July 27th** to (**Friday**) **July 31st** at **Ewing Park** in Ellwood City, PA from **9am - 2pm**.

Pick up and Drop off will be at Shelter #8

Nature Camp is limited to 14 participants and will be on a first come, first serve basis.

Registration due by July 10, 2020.
